Klozet, lavabo ve küvet gibi alanların temizliği için son derece idealdir.

It is ideal for cleaning areas such as toilet bowls, sinks and bathtubs.

Gövde içine yerleştirdiğiniz yedek süngerlerden birini alın. Yakala - bırak sürgüsünü kullanarak sapın uç kısmına tutturun

Get one of the spare sponges you placed inside the body. Attach it to the tip of handle by using the grab-and-release slider

Temizlik süngerini, temiz klozet suyuna bir iki saniye daldırın. Klozetin su deyen tüm kısımlarını sünger ile iyice ovalayın

Dip cleaning sponge into toilet bowl water for one or two seconds. Scrub entire toilet bowl above water line

Temizleme işlemi bittikten sonra süngeri klozete doğru bastırarak fazla suyunu arındırın ve sap üzerindeki sürgü butonunu ileri doğru sürerek süngeri çöp kovasının içine bırakın

When finished, release excess water by pressing cleaning sponge against toilet bowl and slide button forward to release sponge into trash bin

Drop by Drop Xtra

Koku Damlaları Fragrance Drops

Xtra Koku Damlaları sıkıştırılmış ve yoğunlaştırılmış koku bulutları gibi. İhtiyaç duyduğunuz yere birkaç damla damlatın ve havaya yayılan tazelenmiş kokuyu hissedin. Kapı girişlerine, banyo ve tuvaletlere, aracınızın içine, çöp kovasının kenarına vb Yani güzel kokmasını istediğiniz her yere. Birkaç damla damlatın ve gerisini Xtra'ya bırakın.

Xtra Fragrance Drops are like compressed and condensed scent clouds. Just drop a few drops where you need it and feel the fresh scent radiating into the air. In doorways, bathrooms and toilets, inside your vehicle, on the edge of the trash can, etc. In other words, wherever you want it to smell good. Drop a few drops and let Xtra do the rest.
