Global

Officially founded in 1936, our company serves as a testament to Turkey's venerable trading tradition. Customer satisfaction has perpetually ranked as our core focus, and this principle remains unshaken.

Our vision revolves around setting the standard in quality, reliability, and diversity. We are ceaselessly committed to fulfilling the needs of American consumers. By partnering with us, you gain the privilege of introducing the finest of Turkish products to the American market.

Our roots in commerce reach back to the 1850s, representing a heritage deeply embedded in our family. In 2016, we made our entrance into the American market with a mission to embody quality and trust. As distributors for some of Turkey's foremost major factories and creators of our own brands, we have established a successful presence in the American market.

Our company specializes in delivering the most fitting and top-notch products across a range of sectors, spanning from food to cleaning, hygiene, kitchen essentials, and toys. Leveraging our extensive commercial history and expertise, we remain dedicated to consistently providing reliable and premium-quality products to our customers.

sagra  
*since 1936*

Sagra was founded in Ordu in 1936 and offering confectionary products in chocolate category with Tadelle bar chocolates & wafers

Tamek was founded in 1955 in Bursa, and has enriched its product portfolio with fruit juices, tomato & pepper products, canned vegetables, ready to eat foods, and jams & marmelades.

Gold Harvest was founded in 2018, supplying nuts, seeds, dried fruits as well as snack bars, potato chips and nutritional mix snacks in retail packed.

# ABOUT SAGRA GROUP

The Sagra Group is a corporation doing business in the fast moving consumer products sector. Established as a family company that dates back to 1936. It is the manufacturer of important brands in the country that appeal to people from all age groups, such as Tadelles, Sarelles and Gols.

Acting in compliance with high standards for health and safety at the production facilities, the Sagra Group manufactures its products in Ordu in the Black Sea Region, which is home to the richest hazelnut farms in the world. The plant operates with high standards on an area of 60,000 m<sup>2</sup> The manufacturing capacity is 30,000 tonnes per year.

Our products do not contain trans fat, colorants or preservatives, and the sugar contained in these products are obtained from sugar beet. They do not contain sugar like fructose or glucose and only contain real chocolate. Instead of nature identical aroma, actual vanilla is used in our products, which makes them different than the other products in the sector.

The company offers delicious products to consumers with with Tadelles, a chocolate and wafer brand with lots of hazelnuts and a dense chocolate taste; Sarelles, a chocolate spread and wafer brand; and Gols, a delicious and fun chocolate-covered dragée brand.

As of 2021, Sagra, together with the brands Tadelles, Sarelles and Gols, has been working under the OYAK Group, one of the long-established companies in Turkey.
